GENERAL NAIL GLUE ●●●

NAIL GLUE

NAIL GLUE |

Kroxx nail glue repairs broken nails, seals silk wraps and attaches artificial nails to natural fingernails.

- Adheres to nails & nail tips in seconds
- Quick setting and long lasting
- Great for sealing silk wraps

HOW TO USE |

- ① Remove polish and clean nails thoroughly.
- ② Apply one drop of glue to the spilt or broken nails or nail tip and hold the break or tip together with gentle pressure for 10~15 seconds.
- ③ Let dry and smooth nails with a file or buffer.
- ④ After each use, wipe applicator tip and replace cap tightly.
